

## *Client Evaluations and Recommendations*

I was worried about finding my way around the new town. This program gave me the push I needed to 'jump-start' my job search!

*- AGA Gas*

DATAGROUP has made my relocation to a new city much easier and jump-started my search for employment.

*- Booz-Allen & Hamilton Spouse*

All the information I received was excellent and valuable. Most importantly it was pertinent to my work experience & interests.

*- Booz-Allen & Hamilton Spouse*

The overall (research) package was valuable. It was exactly what my client was looking for.

*- Cooperative Resource Services Inc.*

DATAGROUP was encouraging and very knowledgeable...It was most valuable to have conversations with job search professionals.

*- Doosan Infracore Spouse*

I highly recommend this program. DATAGROUP gave me reassurance and encouragement during a stressful transition. You helped me feel more confident and in control

*- Flowers Foods Spouse*

DATAGROUP's program exceeded my expectations. I have shown our HR Director the materials DATAGROUP has provided to me. She was pleased and very impressed with the detail.

*- Flowers Foods Spouse*

If the program was to make someone new to the area informed, welcomed & educated - it succeeded!

*- Goodyear Tire & Rubber Company Spouse*

DATAGROUP'S job search resource report met my expectations and then some. It was informative. I also liked the job search action plan. It was helpful in keeping me motivated.

*- Goodyear Tire and Rubber Company Spouse*

Relocating is extremely stressful, so getting DATAGROUP's job search assistance in a situation like this means one less thing to worry about!

*- Goodyear Tire and Rubber Company Spouse*

You are great at what you do!! I appreciate you holding my hand every step of the way!! I loved your confidence boosts and looked forward to talking to you!!

*- Goodyear Tire and Rubber Company Spouse*

Thank you!!!! I appreciate your listening ear and great advice. We all need that person who can tell us..."You're not crazy"

- *Goodyear Tire and Rubber Company Spouse*

One less thing to worry about during a transfer. They went above and beyond.

- *Goodyear Tire and Rubber Company Spouse*

The report has enough information to make you feel at ease about the community you're relocating to.

- *HADCO Spouse*

I'm worried about meeting people and finding my way around. This information helps.

- *HADCO Spouse*

I would recommend DATAGROUP's services to anyone.

- *Kent State University*

The most valuable part of the job search coaching was that DATAGROUP was there for me with their support and friendliness.

- *Marconi Communications Spouse*

DATAGROUP's advice and ability to help me pace myself - balancing acclimation to my new surroundings and job search helped me not to become overwhelmed.

- *Orion Engineered Carbons*

The staff was always there with a plan for each move. They were encouraging, resourceful, and hardworking.

- *Owens Corning Fiberglas Spouse*

DATAGROUP was a big help to me. Their information was resourceful, encouraging, and very helpful.

- *Owens Corning Fiberglas Spouse*

The staff was very motivational. Any job seeker would appreciate their enthusiasm.

- *PolyOne Corporation Spouse*

My experience with DATAGROUP has been great! I have received excellent assistance and valuable information - more than I expected.

- *Sun Microsystems Spouse*

Your staff has been a big help to me. I've always been able to count on word-of-mouth to get me a job, and out here, it's cold turkey. I am so grateful for the resume your staff helped me create. It always gets my foot in the door.

- *Sun Microsystems Spouse*

Having access to a research company and job search resources that gave personalized attention to my relocation needs made the move much less threatening.

- *Sun Microsystems Spouse*

DATAGROUP has been such a great support system during my transition. I talk about you all of the time. You have been the only person in my life that has pushed me harder than anyone else.

- *Whirlpool Corporation*
