

# Welcome...

to DATAGROUP's collection of  
corporate relocation assistance programs

It is our privilege to introduce our relocation assistance programs to you. They have been carefully developed to collaborate with your organization's goals of recruiting and retaining the best employees.

DATAGROUP has a reputation of providing concierge-type services and moderately priced programs to our clients throughout the United States. We make it a point to know our clients and provide each of them with the highest level of relocation support while focusing on consistently providing high quality service.

---

## PRE-RELOCATION SUPPORT

---

**FIRST LOOK:** Presenting the People, Places, and Potential of the Destination Community

The FIRST LOOK program provides the employee/recruit with immediate information about the destination community along with additional resources specifically tailored to help support an informed relocation decision.

---

## SPOUSE EMPLOYMENT ASSISTANCE PROGRAMS

---

**FIRST  
ADVANTAGE:**  
Comprehensive Employment  
Solutions and Support for the  
Relocating Job Seeker

The FIRST ADVANTAGE program provides the relocating job seeker with personal support, current job search strategies, and community resources as they begin their job search campaign in the new community.

**FIRST IMPRESSIONS:** Delivering  
Actionable Employment Assistance  
for the Relocating Job Seeker

Created for corporate clients with limited budget resources, FIRST IMPRESSIONS provides a condensed employment assistance program with support and assistance to job seekers as they begin their job search campaign in the new community.

---

## FAMILY SUPPORT PROGRAM

---

**FAMILY FIRST: Confidential Community Resources and References for the Relocating Family**

The FAMILY FIRST program supports the family that has a lot of demands on their time and questions about the destination community. Issues can range from child care to elder care. Our focus is to support the family as they settle in to the community and provide them with resources to meet their family needs.

---

## EXPATRIATE PROGRAM

---

**FAMILY FIRST: Community Resources and References for the Expat Family relocating to the USA.**

The FAMILY FIRST program for Expats provides actionable information to help the family establish their identity as well as respect their goals of independence in their new home in the United States.

## THE PREMIERE PACK

---

**The PREMIERE PACK: FIRST LOOK + FIRST ADVANTAGE + HAPPY NEW HOME WELCOME BASKET**

The PREMIERE PACK program brings the best together in one program. This program supports our corporate clients who want to make sure the transferee and family receive the relocation support they deserve from start to finish. Each client receives the FIRST LOOK program, The FIRST ADVANTAGE program and the Happy New Home Welcome Basket filled with new home 'essentials' to make the welcome to the new home feel more welcome!

### **SERVICE YOU CAN COUNT ON**

DATAGROUP has been an important part of businesses' employee relocation for over 20 years. We operate on the basis that we build strong relationships with our clients for the long term. As a boutique relocation assistance company, we are more involved with our clients which allows us to react to requests and situations quicker.

Our reputation for consistently providing high quality service has been demonstrated with our high retention rate of both corporate clients and our partnerships with relocation third party administrators. We look forward to working with you to continue to build upon our success.
